

GO CLIMATE

Gift card

6 climate neutral months

Calculation based on the average climate footprint of 19.2 tonnes CO₂eq per person and year x 2.

Hi Mom,
Doesn't it feel great to help the climate?
Enjoy this gift! /Lisa

Example

GoClimate supports climate projects and gives inspiration and advice on how to reduce your climate footprint. All supported projects are certified by Gold Standard, established by WWF and about 80 other international NGOs. Together we contribute to stop climate change and save the world!

If you want to continue living a climate neutral life after this gift card has expired, visit goclimate.com and register!
